## FEATURES:

- Compound levering system
- Anti-dry fire safety mechanism
- Composite, ultra-stiff split limb design

WHERE **TECHNOLOGY**  
MEETS *TRADITION.*

SOUTHERN CROSSBOW™ IS BUILT ON THE IDEA OF INTEGRATING AGE-OLD AMERICAN RESOURCEFULNESS AND PERSEVERANCE WITH MODERN EQUIPMENT. THESE ONE-OF-A-KIND, AGGRESSIVE CROSSBOWS ARE DIFFERENT THAN THE TYPICAL GENRE OF TRADITIONAL CROSSBOWS. THEY COMBINE THE STYLE AND CUSTOMIZABLE TRAITS OF A TACTICAL WEAPON'S PLATFORM WITH AN INNOVATIVE CROSSBOW STRUCTURE.

THE REBEL™ AND RISEN™ BOWS ARE EQUIPPED WITH A STATE-OF-THE-ART, CUSTOMIZABLE AR PLATFORM, ALLOWING USERS TO MOUNT FLASHLIGHTS, LASERS, NIGHT VISION RIFLESCOPES, RED DOT SIGHTS, OR ANY OTHER TACTICAL ACCESSORIES THAT CAN BE APPLIED TO MODERN SHOOTING PLATFORMS. THEIR QUIET CAMS, LOW DRAW WEIGHT AND HIGH ARROW SPEED MAKE THESE CROSSBOWS QUICK AND EFFICIENT.

ENGINEERED IN TEXAS  
**MADE FOR ALL.**
